- Host Connector
- 34mm Card Push
- 54mm Card Push

EXPRESSCARD™ MODULE CARD KITS

- Module Connector
- 34mm Card Kits
- 54mm Card Kits

- The ExpressCard Standard is a member of the family of standards published by PCMCIA and has replaced PC Card and CardBus technology in desktop and notebook PCs.
- The new specification builds on the successful characteristics of the PC Card: reliability, ease of use, broad industry support, reduced size, increased speed, lower costs, support of advanced serial I/O technologies, interface to USB 2.0 and PCI Express.

Host Connector P/N	10056265-122ABTLF	10047129-118ABTLF	10055606-110ABTLF	10053826-100ABTLF	10055262-100BBTLF	10056422-122BBTLF
Host System (Card Push) P/N	10038774-22ALF	10047130-18ALF	10055607-10ALF	10053827-00ALF	10055263-00BLF	10056423-22BLF
Standoff Height	2.2mm	1.8mm	1.0mm	0.0mm	0.0mm	2.2mm
Mounting Type	Above	Above	Above	Above	Below	Below

Product Type	34mm (close end)	54mm (close end)	34mm (open end)	54mm (open end)
Module Connector P/N	10030570-2113LF	10030570-2113LF	10030570-2113LF	10030570-2113LF
Top Shield P/N	10030573-100LF	10030581-100LF	10030573-200LF	10030581-200LF
Bottom Shield P/N	10030574-2100LF	10030582-2100LF	10030574-0010LF	10030582-0010LF
