

Introducing the **FTH-30**— Cable Tie Holder

Features and Benefits

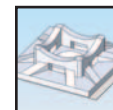

- Has the same mounting head as a cable tie
- Allows bundle with pre-assembled cable tie to be held in place
- When tail end of the cable tie is inserted, the tie holder locks it into place
- Can be used as a standard tie holder, using ties that are not pre-assembled
- Holds all Richco WIT-18 series cable ties
- Holder is easily installed in panel; simply snap in place
